RE: Credit Card # 4802-1323-0275-0305

Dear Persons:

While reviewing our credit card statements, we found an error. Please credit the \$700 charge to our credit card.

DATE: 01/18/05

Amount: \$700

Serial # : 09-488,155

The above serial number is based on a telephone conversation with the Office of Finance on October 21, 2005.

We believed this charge was the issue fee for one of our cases. However, when we saw a subsequent \$700 charge on August 18, 2005 to our credit card statement, we called your office to determine where the charges came from. While the August charge was to one of our cases (presumed to have been charges on Jan. 18), I asked that the charge in January be checked. We were told that the January 18 charge was to the above serial number. This is not one of our cases. Albert Watkins, registration # 31,676 is the only agent that uses this credit card.

Please let me know if you need anything else to correct this charge.

Thank you,

Julie Watkins
Executive Vice-President
